Pastor Vince's Message

A couple of weeks ago, I described what I saw as a major difference between how Jesus taught and how the teachers of the law in the Gospel of Mark taught. Understanding this difference has profound implications for the church and church members.

The teachers of the law taught with what I called a domination authority. Their job was to make sure everyone did everything the "right way." Jesus, on the other hand, taught with what I called an actualization authority. His goal was to help people become what God wanted and created them to be. This is not just a history lesson about how Jesus "did teach" in the past, but a lesson on how Jesus still "does teach" now in the present. Jesus calls us to actualization.

At some point in the history of the church, the church became a domination authority. Church became a place you "had" to go, and it was filled with rituals and law that you "had" to obey. The job of the church goer became attendance and giving. Since the domination church is only concerned with "doing things the right way," another job of the church goer becomes criticism. The church goer looks for problems, finds things that have been done in the wrong order, with the wrong words, or additions or subtractions to the service that aren't in line with "how we've always done it." No one asks the question, "does this help me or does this help others," because, in a domination church, helping in spiritual growth is not the focus. The focus is on maintaining the status quo.

Christ's church is not a domination church. Christ's church is a church of actualization. Christ's church calls us to get involved, to place the needs of others above our own needs, to participate in community, and to always look for how we can help ourselves and each other grow closer to what God has created us to be.

First Christian Church, Greeley, is a church of actualization in Christ. We call our members, not to love one another from afar, but to actively engage in each other's lives. To participate in Christ. To serve others with our minds and bodies. Our church calendar is brimming with activities. If you haven't yet, I encourage you to pick an activity and get involved. I look forward to seeing you!

First Christian Church Greeley (Disciples of Christ) holds Sunday worship services in the sanctuary at 10:00 am.

Childcare is provided during the service. Find more information at www.fccgreeley.com

## Elder's Message

The month of June is a time of family vacations, for our children to enjoy the end of school, and a summer break when they are enjoying the freedom that allows them to follow the traditions of summer. June also means Father's Day and the Summer Camps for our youth.

### Father's Day, June 16,2024:

I've benefited my whole life from mentoring Elders, both family members and non-family members, who were members of older generations whose examples of a Father's faith and responsibility gave me a reverence for what faith and church is supposed to be about. Now is a good time to remember that (even though we may or may not have our own children) it is our responsibility to show a father's love to all our youth, and model what faith and love for our God and Neighbor looks like. And even as our earthly fathers will usually be good to their children, we need to remember and be thankful for our Heavenly Father who sacrificed his son for us even though we did not deserve it.

### Summer Youth Camps, June 16-22, 2024:

What an epiphany, an illuminating discovery, and faith journey youth camp can be! As a young teenager, you are away from home and meeting other youth and counselors whose stories of their personal faith journeys help you find, develop, grow, and flourish in your own personal faith. First Christian Church of Greeley has always supported our summer youth camps at La Foret Conference and Retreat Center in the Black Forest. It has been thrilling as a driver to hear from excited youth who have just experienced their first camp and how they can't stop talking about it.

These are just two examples of the church's June activities that have a lot of meaning in the life of the congregation each year. That kind of continuity will be important to all our generations throughout our past and future history. Let us remember what one of them said, "that without God's help we cannot succeed, but with God's help we cannot fail in the great and perilous tasks before us" (A. Lincoln, 1861). I find it reassuring that just as their faith sustained them throughout history, that with God's help, I too can capably face my own problems in life.

--Bill Rusher

## **FCC Book Club**

The FCC Book Club is closing out the 2023-2024 season reading *The Bell Jar* by Sylvia Plath. They will meet in the church parlor on Monday, June 3, at 6:00 p.m. to discuss this modern classic. After a summer hiatus, the group will resume meeting in September.

## **Mission Matters**

"Thus says the Lord: Act with justice and righteousness and deliver from the hand of the oppressor anyone who has been robbed. And do no wrong or violence to the alien, the orphan, and the widow, or shed innocent blood in this place."

## Baby Bottle Campaign - May 14-June 16

Baby Bottle donations will benefit the precious babies in the NICU at NCMC. A critical time for baby, families in the neo-natal intensive care unit also have immediate resource needs; bus passes, quick family food, phone chargers, sibling books/colors etc. In addition to exceptional baby care, nurses extend their touch via baby journals & milestone decorations – adding color and love to a very stressful time. Fill up your Baby Bottle coins (or bills) to return it on Father's Day; a win/win for our hometown's own!

## World Refugee Day - June 20

The Mission Team is excited to share that they are partnering in ministry with the **Immigrant** and Refugee Center of Northern Colorado (ircnoco.org). This organization's volunteers need encouragement, and Mission is stepping in to provide treats and inspiration the last Monday of each month. The director shared that this "we see and appreciate you" has overwhelmed staff OF NORTHERN COLORADO and volunteers and is building trust and future bridges. Join on Monday 6/24 to help deliver, accept smiles, and see the Center's amazing operations.

On World Refugee Day, we honor the contributions and resilience of those forced to flee their homelands due to violence, persecution, or natural disasters. The hard-earned wisdom, diverse experiences, and unceasing courage of refugees enrich our nation and strengthen America's unique narrative as a beacon of hope that opens our doors to those in need. On June 20th, we celebrate the triumph of the human spirit exemplified by these displaced individuals and acknowledge the compassion of those who welcome them into their homes and communities. Watch for updates from Greeley City Counsel about an event on June 18<sup>th</sup>!
